### SOLOS

Holiday & Dance welcome solo dancers ie. those without a regular partner to all our packages, however, although the workshops can be worthwhile, from a solos point of view progress can be slower without having someone to practice with. Similarly for the evening sessions although there is always a friendly atmosphere, not having a partner can limit the full enjoyment of the evening. To help ensure a more fully satisfying experience we have arranged 'Holidays for Solos' which have proved very popular. Generally in our experience we receive happy support with usually more ladies than gents! Where we can, in addition to our hosts we try and offer some partners to help provide a balanced and enjoyable dance programme. The following dancing dates are scheduled and early booking is recommended.
