## SOLOS

Holiday & Dance welcome solo dancers to all our packages, however, although the workshops can be worthwhile, from a solos point of view progress can be slower without having someone to practice with. Similarly for the evening sessions although there is always a friendly atmosphere, not having a partner can limit the full enjoyment of the evening.

To help ensure a more fully satisfying experience we have arranged 'Holidays for Solos' i.e. those without a regular dance partner. These have proved very popular, generally with a little more support from ladies than gents. Where we can, in addition to our hosts we try and have a reasonable male / female ratio. The hotel may therefore suggest you are added go a waiting list until a place becomes available to ensure a fair proportion of partners. The following dancing dates are scheduled and early booking is therefore recommended.
