Nuevo style ARGENTINE TANGO WEEKEND 2023

with Leo & Tracey

THE QUEENS HOTEL BOURNEMOUTH

A four star hotel close to the sea front with a fabulous ballroom!

Leo and Tracey are one of the few couples in the UK that are able to dance and teach the multiple styles and rhythms within Argentine Tango. They are delighted to bring you a new specialist weekend where you can learn the style and technique of the Nuevo style of Argentine Tango. While individuals of all levels are welcome to join, those with a basic understanding of Argentine Tango will benefit the most from the weekend.

The Nuevo style of Argentine Tango

Developed during the re-emergence of the Argentine Tango in the 1990s. Leo was living in Buenos Aires during this period and experienced the revolution of the Nuevo movement first hand as he regularly frequented the milongas!

The old Milongueros gave their knowledge to the younger generation who took old techniques and expanded them to create a more dynamic and fluid style. At that period, Nuevo was danced to extremely varied music including tracks of Piazzolla, Pugliese, Di Sarli and Mederos but now includes more recent bands such as Gotan project and Bajofondo. In fact, Nuevo can be danced to any music as long as it has the same musical structure.
