

COMPETITORS and KEEN DANCERS

With many important dance competitions on large and spacious floors it is vital that **BIG FLOOR PRACTISE** facilities are available. The well-known Greenford Hall famous for its quality spacious floor and presentation of many championships including the Imperial Modern & Latin and the United Kingdom Formation Championships will now be available for practise **EVERY TUESDAY** 8.30 – 10.20pm commencing 6th May.

With the aid of subsidy from the 'Dance for England' initiative your Big Floor Practise will include a helpful SUPERVISED PRACTISE element by your hosts and presenters Philip Wylie and Hanna Haarala. In addition, monthly, there will be a MINI WORKSHOP by champions under the heading 'Good Habits for Good Dancers'. To ensure a worthwhile and successful practise evening, adjacent to the main ballroom is a small ballroom where practise problems can be resolved.

A warm welcome to all from Hanna and Philip with a good value practise at a cost of £12 per couple, and a special welcome to the opening practise session on 6th May when former World Champion **FRANK VENABLES** will be providing the mini workshop.

The 10th June we are delighted that Champion **LORRAINE DROLET** will be providing a mini workshop.

(Please note no practise 3rd June & 26th August)
